

#14 - POS “COMMUNIQUÉ”

Toggle Switch (POS and Back Office)

Follow the steps below

Point of Sale Control (module)

Workstation Options (sixth shortcut on main screen) – click on

Advance (left hand side of screen) – click on

Advance window will appear

Right hand side of screen (below the picture of POS system)

Place a check mark in each box:

Multi-instance &

Show mouse cursor

Apply – OK

Close all windows

Now when you sign onto the POS system you will be able to minimize and open up the Maitre’D back-office – you can toggle back and forth depending on what you need to see or do in each program.
