

#29 - POS "Communiqué" Employee permission

The Cost price (icon) has only been set up on Employee #1 in the system - You have to go and give permission to each employee that you require them to have access to COST.

Point-of-Sale Control
Employees setup
Employee #1 – modify

Function – 3 - (see below screen shot) ensure your screen is identical to this screen shot.

Any question please send me an email or call me.
