

## #32 - POS "Communiqué" - CASH BACK

### CASH BACK ON CREDIT/DEBIT CARD

Effective immediately, the service of providing cash back on debit/credit cards will no longer be offered in any PSP Hospitality facilities such as Messes, restaurants and bars.

PSP Retail operations may continue to offer this service. For example: Pro boutique in a CAF golf club can provide this service the bar/restaurant operation of the same golf club cannot.

PSP Community Recreation departments can offer cash back when requested by a client and there is enough funds in the POS/cash register.

This follows industry standards and protects CFMWS Chase payment license.
